# Don't Let Buying Your Dream Car Turn Into A Financial Nightmare

When you're getting ready to make your dream car a reality, it's important to do a reality check on a few things before you commit.

## • Do the Math

It's a good idea to keep car payments under 25% of your monthly household income. So, grab your calculator and start crunching the numbers. This way your new vehicle won't become a money pit on wheels.

## • Expect the Unexpected

It's easy to get caught up in the sticker price when making a purchase, but make sure you're accounting for gas mileage, maintenance costs and insurance. Nothing dulls the shine on a dream car like a surprise spend.

## • Get Pre-qualified

Help speed up the process and get behind the wheel of your new vehicle by figuring out your financing in advance and getting pre-qualified for a vehicle loan. And we can help with that—finance a Carvana purchase with ease with a loan from Awakon Federal Credit Union.

## • Cash in on your \$100 cash

Visit [lovemycreditunion.org](http://lovemycreditunion.org) for Love My Credit Union rewards and receive \$100 when you purchase a vehicle through Carvana. It's just one of the many perks of being an Awakon member.
