Awakon Federal Credit Union President and CEO Scott Pauly Receives Distinguished Service Award

Michigan Credit Union League (MCUL) formally honored winners of the 2019 Michigan Credit Union League Awards and the Michigan Credit Union Foundation (MCUF) Awards at MCUL's 2019 Annual Convention & Exposition in Detroit, on June 8th 2019.

Collectively, the MCUL and MCUF Awards recognize credit union professionals for exemplary efforts in areas including individual and organizational leadership, operational effectiveness, community service and financial education.

This year's Distinguished Service Award was presented to Scott Pauly, President and CEO of Awakon Federal Credit Union. This

prestigious award is presented for achievement in leadership, mentoring, advocacy and service.

The Distinguished Service Award is given to an individual who has been exceptionally supportive of the Michigan credit union movement, reaching beyond an individual credit union. This individual has gone above and beyond in their involvement in advocacy and demonstrates a lifelong effort to affect positive change in the industry as a whole.

Scott goes over and above what is expected, because that is who he is at his core. He doesn't just go the extra mile, he does it because it's the right thing to do. So much so, Governor Whitmer, Speaker Chatfield and Senator Schmidt wanted an opportunity to honor Pauly as well, with a special tribute for his many years of service. We are very proud of Scott and his wonderful accomplishment.
